This race is an inverted start, with all boats starting at the time noted next to their name for the Course shown by flag on the RC boat prior to the first start. A single warning signal will be given by the RC boat at 13:00. Periodic time checks may be given by the RC boat, but the lack of any such time checks shall not be cause for redress. All times shall be based on GPS time.

For scoring purposes, boats will be scored in their respective classes, based on class splits used throughout this series.
