

# CAL RACE WEEK

Saturday and Sunday, June 1 – 2, 2019  
Marina del Rey, California USA

## **THOMAS K. ARMSTRONG CALIFORNIA CHALLENGE**

### **NOTICE OF CHALLENGE**

California Yacht Club invites all yacht clubs to enter a team(s) to compete for the Thomas K. Armstrong California Challenge Trophy. There is no entry fee for this Challenge.

The Thomas K. Armstrong California Challenge Trophy will be presented to the yacht club whose three-boat team has the lowest combined score, counting each boat's final class standing divided by the average number of starters in her class as one score, during the 2019 Cal Race Week.

#### **CHALLENGE FORMAT:**

- Each yacht club may enter up to three (3) individual teams. Each team entered is a separate entity. No single boat may be entered on more than one (1) team. No two (2) boats on any team may be competing in the same one-design or PHRF class. PHRF class splits will be posted by 1230 on Friday, May 31.
- Each yacht club competing for the Thomas K. Armstrong California Challenge Trophy must declare their three-boat team(s) no later than 1000 on Saturday, June 1. Late entries will be accepted only with the prior approval of a regatta chair. Boat substitutions may not be made after the entry deadline.
- The skipper of each boat on a team must be a member in good standing of the yacht club he/she is representing.
- The yacht club with the lowest cumulative combined score of its three-boat team, counting each boat's final class standing divided by the number of entries in her class as one score, shall be the winner of the Thomas K. Armstrong California Challenge Trophy, which shall remain on display at California Yacht Club. In case of a tie on points, the trophy will be awarded to the team who has the lowest combined scores, as delineated above, in the final race.

Complete the attached entry form and return it no later than 1000 on Saturday, June 1, to:

Cal Race Week Committee  
California Yacht Club  
4469 Admiralty Way  
Marina del Rey, California 90292

Or by email to:
