Star Gazing, CYC Style

Star sightings in the Marina del Rey night sky are a challenge as city lights obscure all but the biggest and brightest. At California Yacht Club, we're fortunate to be able to see stars year-round, regardless of the time of day. Let me describe my version of Star Gazing. Throughout the year, I'll feature some of our many members (aka Stars) who have done something above and beyond. Perhaps they won an award, did something unexpectedly kind or helpful, came up with a great idea, or otherwise enhanced our Club. The first Stars are members who are recipients of ASMBYC and SCYA awards.

Join me in congratulating Sue Service, ASMBYC Yachtsman of the Year, for her creative contributions and exemplary accomplishments to the sport of yachting in Santa Monica Bay; Duncan Cameron and crew, recipients of the ASMBYC Rescue Award, for their outstanding display of heroism and compassion in locating and rescuing a fellow CYC sailor accidentally launched overboard during a regatta; and Patrick Mulcahy, ASMBYC Junior Yachtsman of the Year, for demonstrating superior sailing ability along with the highest standards of sportsmanship, all of whom were honored at ASMBYC's Installation and Awards Brunch.

Receiving accolades from SCYA are Duncan Cameron, recipient of the SCYA Rescue Award; Erik Oistad, feted with the Golden Key Award in recognition of his outstanding service to yachting communications and the boating community as a ham radio operator; S/C Bill Stump, recipient of the James Webster Perpetual Trophy for his outstanding contribution to yachting; and S/C Rick and Ann Turner, selected for the George L. and Kay B. Fisher Memorial Trophy for their distinguished service, as a couple, to yachting in Southern California over a long period of time. These awards will be presented by SCYA at our Opening Day ceremony. Stay tuned for more Star Gazing throughout the year, and drop me a line if you spot a bright Star.

Congratulations as well to our CYC members who were honored at our fabulous Installation and Awards Dinner (see story on page 8). Events at CYC

don't just happen – every successful Club event reflects the collaboration of our members and management, and those efforts deserve recognition. Thank you Penny Collins for chairing a beautiful Installation and Awards Dinner, S/C Bill Stump for your unique humor and encouraging words as Installing Officer, S/C Alice Leahey for your role in the awards presentation, and Chef Fabio and staff for a delicious meal.

The CYCWA Installation Brunch was a festive affair a week earlier, as we officially welcomed Executive

Officer Pam Spriggs and her Board.

January was a whirlwind of activity, with opportunities scheduled for nearly every day of the month. I enjoyed seeing so many of you at our popular Activities Showcase, and hope you were able to find a new activity to try. This month, I'll follow the tradition of the chairing the Epicurean Society's annual Sweethearts Dinner with S/C Bill Stump. With Chef Fabio's culinary expertise, we've planned "Second Honeymoon: A European Adventure" and hope you'll join us on February 12 for a delectable visit to Italy, France, and other European destinations. And while you're thinking about a European adventure, make plans to join me on the late-August Commodore's Cruise along the Danube River from Budapest, Hungary to Prague, Czech Republic, touching five countries along the way.

One of the benefits of our Santa Monica Bay playground is year-round sailing, and February 9-10 marks the 90th annual SCYA Midwinter Regatta at CYC with the Star, Martin 242, and J/70 fleets, plus J/24s, Tartan 101s, and J/109s enjoying two days of unpredictable winter weather. More boats mean more fun, so register now to enjoy winter sailing in our bay. Before we know it, it will be Opening Day. Fleet Captain Monica Antola is planning a full, fun-filled day for the entire family. Be sure to put March 9 on your calendar, come early to dress ship, and stay until evening colors (see the timeline on page 5). There's so much to do at our Club, and I encourage you to enjoy all that CYC has to offer in its 97th year!

See you at the Club, on and around the water. ⚓

Reach for The Stars: Opening Day, March 9

By Fleet Captain MONICA ANTOLA and S/C BILL MOORE, Protocol Officer

Opening Day at California Yacht Club is the day our Club is officially declared to be in commission; that is, free and clear from ice and debris, signaling we are open for the yachting season. On Saturday, March 9, we will welcome dignitaries, guests, and members to enjoy the ceremony, lunch, and exciting post-ceremony activities.

Embracing Commodore Debbie Feinerman's Reach for The Stars theme, CYC's Opening Day is shaping up to be a special event, commencing with skippers dressing ship in the morning and ending with evening colors.

Come early to enjoy the pre-ceremony music and welcome guests and dignitaries. The ceremony will begin at 1130 hours. Following the ceremony, enjoy the delicious buffet luncheon and partake in the afternoon activities. Opening Day is always a great time to wander the docks to visit friends old and new on

their boats. Bring your family and friends for an afternoon of fun-filled activities that will appeal to all ages. The day will end with a special evening colors ceremony and cannon salute.

Opening ceremony dress for members:

- Club blazer with white shirt or white blouse.
- Trousers, pants, or skirts, traditionally white in color.
- Current red-colored or other official CYC tie for men or scarf for women, available at the front desk along with the gold bullion club crest worn on the blazer left-breast pocket.
- Dress shoes in white, black, or tan (may be boat shoes).
- A cap or hat is not considered a part of the CYC attire; however, you will be in the sun for an hour, so if worn with the club blazer, it should be conservative with a brim. ⚡

Dress Ship for Opening Day

By Port Captain
CHRISTINA TARANTOLA

Nothing lets you know it's Opening Day like an anchorage full of boats adorned with signal flags.

Per tradition, at 0800 hours, yachts dress ship (or a day or two before for those not close to the marina) by hoisting signal flags and pennants providing a colorful background for the ceremony. Flags can be in any order. For those with signal flags, the pattern beginning forward at the waterline is, in sequence: AB2, UJ1, KE3, GH6, IV5, FL4, DM7, PO, 3rd Repeater, RN 1st Repeater, ST Zero, CX9, WQ8, and ZY 2nd repeater. The sequence is then repeated until it reaches the stern.

A prize will be awarded in a random drawing among the dressed ships on the finger having the greatest percentage of boats dressed for Opening Day.

Pickleball: Funny Name for a Fun Sport

By JIM ACH, Pickleball Chair

Pickleball is the fastest growing sport in America; currently more than 3 million people of all ages are playing in the U.S. At the 2018 Nationals there were over 2,200 players from 46 states and 8 countries.

Here at CYC, we've been playing since 2011 and were the first pickleball in L.A. County. We usually play doubles on Saturday mornings and Monday evenings.

So, what is this sport? It has been described as a combination of tennis, badminton, paddle tennis, and ping-pong, played on a badminton-sized court with a low net using a Wiffle ball and big ping-pong-like paddles. It is easy for beginners to learn, but can develop into a fast-paced, competitive game for experienced players. Basically, it is a typical court ball game where you hit the ball over the net and the opponents hit back until someone hits it into the net or out of bounds. There are a couple of special rules that give the game its unique flavor. Typically, you can learn the rules and be playing in 20 minutes.

The game has exploded in Southern California. There are regular games in Santa Monica, Venice, El Segundo, Manhattan Beach, Hermosa Beach, and Torrance. You can play every day of the week – and sometimes I do. (Incidentally, they play pickleball at Del Rey YC.) To give you an idea of the game's expansion, in Santa Monica, on the weekends, there are 12 courts in use at Memorial Park.

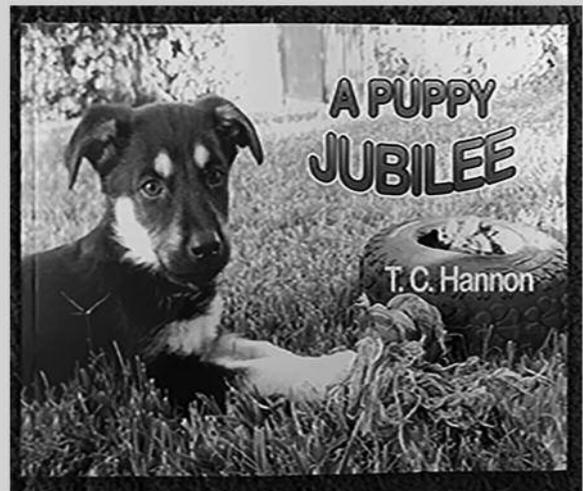

Is it for old people? Absolutely! And young people and everyone in between. At the Nationals there were 13 age brackets, starting at 19 and topping out at 80+! How much exercise is it? Well, there's less running than tennis, but you still have to be able to move.

New players are welcome. We have loaner paddles for you. Want to learn more? Contact Co-chairs Jim Ach or Susan Silver. ❖

At a recent evening game, Dave Paquin (partner Jill Jenson) returns a ball to opponents V/C Stephanie Weston and Yemi Durosinmi-Etti.

I'm a CYC member and my book is under this pen name.

Ryan loves dogs. When his neighbor Mrs. Woodbridge adopts a rescue puppy, he's super excited to play with the new pup. Taking care of his neighbor's dog all by himself is a lot harder than just playing. Eventually, Ryan learns the responsibility to care for the puppy, even if he faces lots of challenges along the way. Based on the author's experience interning with a veterinarian and taking care of her own dog, "A Puppy Jubilee" also contains great tips for dog care and safety!

Installation and Awards Dinner

By S/C BILL STUMP

“Welcome to our 97th year – Reach for the Stars!” So ended our annual Installation of Officers and Awards Dinner with a Champagne toast to CYC’s new Commodore, Debbie Feinerman. As tradition has it, the evening began with the traditional receiving line at the bottom of the atrium stairs, offering hugs and handshakes from the incoming Bridge, outgoing Commodore, and their spouses. Spoiler alert: This gang started the party early with an upstairs sampling of hors d’oeuvres and sparkling wine.

The munchies during our cocktail hour included lamb medallions, scallop ceviche, and tomato tartlets, all served to the tunes of pianist Ron Howard. Once all the Staff Commodores and Bridge assembled upstairs – not an easy task with 17 Commodores of decades past trying to sort out who served before whom – CYCWA EO Pam Spriggs introduced them as they waltzed into the dining room to movie-themed music spun by DJ Scott Jarema. Movie music? Of course! Debbie’s other home-away-from-home, Paramount Pictures, provided a medley of famous theme songs for this presentation, culminating with the “Mission Impossible” ditty when she and S/C Bill Stump entered.

Dinner for our 120 guests, prepared by Chef Fabio and his staff, was a sumptuous offering of butternut squash soup, and potato-crust halibut or grilled filet mignon, accompanied by new, interesting wines discovered by Food and Beverage Director Steve Bell – a 2016 red from Sicily and a 2017 white from Spain. The sparkling wine also was from Spain, Opera Prima Brut. By the time speeches and presentations began, we were deep into dessert, a to-die-for chocolate and framboise crème brulee.

Outgoing Commodore, i.e., Junior Staff Commodore Mike Blecher, grabbed the microphone first, thanking all who helped make 2018 such a success and, of course, praising Barbie for helping him all along the way. The Commodore’s journey is a fast-paced one, so Mike, like his predecessor had to him, jovially counseled Debbie to appreciate the effort and enjoy the ride, leaving a letter of advice and encouragement for her on the podium. Next up, S/C Alice Leahey presented CYC’s yachting awards for 2018.

CYC takes pride in the accomplishments of its top sailors and the unflagging service of our volunteers. Our four most prestigious awards recognize these achievements: Hal H.

Haenel Yachtsman of the Year – presented to Drew Freides for his domination of the International Melges 20 Class; Michael F. Braney Sportsman of the Year – presented to S/C Tom O’Conor for years of support to Sail Committee and its racing program; Charles F. Hathaway Long Distance Cruising Award – presented to Betsy and Kenny Linn for years of sailing all about the Pacific on their 52’ *Alcyone*; and CYC Yacht of the Year – presented to Charles-Etienne Devanneaux and his foiling monohull, *À Fond le Girafon*, for its record-breaking run in the Pacific Cup race to Hawaii. The big surprise of the evening was the presentation of our coveted Signal Service Award by CYC President Steve Hathaway to Charles Pascal for his undying devotion to and support of CYC’s Radio Amateur

Group (our hams). Highlights of these and all our other CYC award winners are detailed in the accompanying article on page 12.

No installation would be complete without the swearing in of our 2019 Fleet Officers and Bridge Officers. In the first category, Fleet Budget Officer Mark Pinkerton, Fleet Secretary Hunter Gorog, Fleet Judge Advocate Cole Sheridan, and returning Fleet Surgeon Harlan Gibbs, M.D., happily received their flags of office and the responsibilities that come with them. Working up the Bridge ladder, Christina Tarantola was installed as Port Captain, Monica Antola as Fleet Captain, Tim Clarke as Rear Commodore, SEO Stephanie Weston as Vice Commodore, and, finally, Debbie Feinerman as Commodore. Installing Officer S/C Bill Stump distributed their new flags of office and a few rhyming words of sage advice for the year ahead. For the Commodore, her sendoff poem was:

Have lotsa fun and remember this cheer
Women may be from Venus, men from Mars
But, together, we can *Reach for the Stars!*

Commodore Feinerman’s message to the dinner gathering was simple and sincere – enjoy your Club, get involved in new activities, meet and make new friends, strive to make our Club better, and ... *Reach for the Stars!* After a hearty Champagne toast to Debbie’s vision and success, we danced the night away.

A special thanks to Installation Dinner Chair Penny Collins, photographer Kevin Roznowski, General Manager Michele Underwood, and all the CYC staff. ♣

CYC Award Winners Reach for the Stars

Numerous recognitions and accolades were awarded to Club members in 2018. The following members were honored at the Installation and Awards Dinner.

Drew Freides

Hal H. Haenel Yachtsman of the Year YRUSC Yachtsman Excellence Award

To win a world championship in a highly competitive international class is impressive. Winning a second world championship in that class is exceptional. Winning back-to-back world championships in the International Melges 20 Class is remarkable, and led to Drew's recognition as CYC's Yachtsman of the Year and recipient of YRUSC's Yachtsman Excellence Award for 2018.

At the world championship, Drew came from behind in the last race, passing the lead boat less than 100 meters from

Jr. S/C Mike Blecher with Yachtsman of the Year Drew Friedes

the finish, to win that race and the World Championship by just one point. With that, Drew became only the second skipper to win consecutive Melges 20 World Championships. Racing with Drew were longtime crewmates Charlie Smythe and Morgan Reeser.

À Fond le Girafon Yacht of the Year

The Beneteau Figaro 3, *À Fond le Girafon*, is owned and skippered by Charles-Etienne Devanneaux. *Girafon* held off more than 60 other sailboats in the 2018 Pacific Cup and was first-to-finish at Kanoeha Bay on the island of Oahu, 11 days after leaving San Francisco. A one-design, foiling monohull, the Figaro 3 features a radical foiling system that not only generates lift but also reduces drag and provides stability while heeling.

À Fond le Girafon roughly translates to “crazy little baby giraffe.” Southern California sailors will enjoy the sight of her black sails, yellow spinnaker, and bright orange hydrofoils racing around Santa Monica Bay as she prepares for the 2019 Transpacific Yacht Race.

sailors around the world to communicate with Winlink, a global radio email service. He received his first amateur radio license in 1962. In 1985, he began teaching amateur radio in Santa Monica for PNP School of Amateur Radio, and in the following year began teaching amateur radio license preparation for boaters in Marina del Rey. Since then, more than 10,000 of Charlie's students have passed all classes of both amateur and commercial FCC tests. His students have come from the Los Angeles County Sheriff's Department, General Telephone, Pepperdine University, Children's Hospital, the City of Santa Monica, UCLA, Culver City, Sony Pictures, and CYC. In fact, many of our members who work on race committee have received their ham license through his classes at CYC.

S/C Tom O'Conor

Michael F. Braney Sportsmanship Award

In addition to serving as CYC's Commodore, S/C Tom O'Conor has served as a member of the PHRF Board; as a director of Transpacific Yacht Club; as Fleet Captain and class measurer of the Martin 242 class; as PRO for many notable regattas; and as a member of CYC's Sail Committee for most of the last 20 years, including three years as Chair.

For many years, Tom was responsible for building and maintaining the permanent marks that all yacht clubs in Marina del Rey use to run races, and he has been part of the team that produces the race documents that govern the regattas hosted by CYC.

Betsy and Kenny Linn

Charles F. Hathaway Long Distance Cruising Trophy

Since leaving California at the end of 2013, Betsy and Kenny have traveled over 10,000 nautical miles in their 52' Beneteau 523

sailboat, *Alcyone*. They cruised Pacific Mexico through 2015, then continued to El Salvador, Nicaragua, Costa Rica, Western Panama, the Panama Canal, and Eastern Panama.

They did the Pacific Puddle Jump in 2017, reaching French Polynesia, the Cook Islands, and Tonga, ending the year in New Zealand.

2018 took them to Tonga and Fiji, including Beqa Island, where they joined the CYC Commodore's Cruise.

They are considering cruising back to Mexico, and splitting each year between the United States and cruising *Alcyone* in Pacific Mexico.

Duncan Cameron and the crew of Trust Me ASMBYC and SCYA Rescue Awards

During last May's DRYC Berger Race, *Mistral* suffered a catastrophic failure of her steering system, resulting in helmsman Helen Brierley being launched into the side of the boat and then over the guardrail, breaking a couple ribs in the process. Without steering, *Mistral* was unable to return to its lifejacket-less crewmember.

Photo by Pat Reynolds

Duncan Cameron and the crew of Trust Me

Duncan got *Trust Me* to the approximate position of the incident. In strong winds and heavy seas, *Trust Me* meticulously performed a search pattern.

Only after 20 minutes of unwavering effort did one crew member of *Trust Me* spot Helen in a glimpse at the top of a wave. They brought the tired, determined, and hypothermic victim aboard and delivered her to the emergency services awaiting their arrival in the marina.

The actions of Duncan and his crew on *Trust Me* that day were both exemplary and life-saving.

Sue Service
ASMBYC Senior Yachtsman of the Year

Sue Service

Sue has been active in race management since joining CYC in 2011. She served as Sail Committee Chair in 2015 and as Regatta Chair for important events, such as the 2017 Laser Midwinters West and the 2018 CFJ Nationals. She is usually on the race committee for any event in which she is not competing.

Sue has been a leader in efforts to enhance women's participation in sailing. Sue is also an avid racer. She was an integral part of the J/105 and J/109 *Grace O'Malley* teams. Currently she is a frequent competitor as part of the crew on *Blarney*. She was team captain for CYC's entry in the 2018 Linda Elias Memorial Women's One Design Regatta.

Gavin McJones
YRUSC Youth Excellence Award

Gavin is one of the top young sailors in Southern California. He competes in the Laser Radial and the CFJ. In 2018, Gavin scored podium finishes in many regattas, including the Olympic Classes Regatta in San Diego (first in Laser Radial) and the 2017-2018 Shadden Series Regatta (first in the CFJ). He has competed nationally and internationally, coming in as the fifth-place U.S. competitor in the Laser Radial at the Laser Radial Youth Worlds in Kiel, Germany. Not only has Gavin been busy at CYC, but he has also volunteered at Los Angeles YC by holding the position of Jr. Commodore of LAYC.

Gavin McJones

Patrick Mulcahy
ASMBYC Junior Yachtsman of the Year

Patrick Mulcahey

Patrick has been racing for CYC since 2016. In the past year he has specialized as a crew in the C420 class while still racing other classes and also coaching beginner sailors. Some of his results in the C420 include first at the C420 National Championship out of 146 competitors, first at the C420 Pacific Coast Championship, fourth at the C420 North American Championship, and first in the SCYYRA C420 Perry series. In the International 420 class, he won the Pacific Coast Championship. In keelboats, Patrick's team placed third at the US Sailing Youth Match Racing Championship (also known as the Rose Cup).

Allie Blecher
YRUSC Yacht Service Award

Allie Blecher

Allie has been recognized for mentoring youth sailors, particularly young women. Since 2012, she has included junior sailors in the Linda Elias Memorial Women's One Design Regatta. In 2017, she began working with the Magenta Project, whose mission is accelerating women in sailing and industry. Allie has introduced young women to high-performance boats and gotten them crew positions on adult keelboat teams. In 2018, when she was CYC's skipper in the Lipton Cup Challenge at San Diego Yacht Club, she recruited a collegiate sailor, Simone Staff, to join CYC's team.

S/C Rick and Ann Turner
SCYA George L. and Kay B. Fisher
Memorial Trophy

In 23 years at CYC, Rick and Ann have contributed in many ways. They are devoted race committee members. They chaired the 2008 Junior Olympics, 2009 CFJ Nationals, and 2010 Star North Americans. Ann updated the Club's extensive collection of perpetual trophies, cataloging the trophies with their deeds of gift. Ann served as editor of the *Breeze*, CYC's Fleet Secretary, and CYC's Calendar Chair. Rick has served on CYC's Junior Committee, and of course, was CYC Commodore in 2015. Their service to the wider Southern California sailing community is extensive, including leadership of high school sailing activities, the US Sabot Association, ASMBYC, and SCYA, and volunteering at the Rose Bowl Regatta.

SCYA James Webster Perpetual Trophy

S/C Bill Stump was awarded SCYA's James Webster Perpetual Trophy for his contributions to yachting. Currently, Bill is best known as a PRO and Chief Judge, traveling the world running some of the top races, most recently, the 2018 Star World Championship. He has been CYC's Senior Race Office since 1992, attracting top-level regattas for junior and adult sailors to our Club; examples include the 2005, 2010, and 2018 Star North American Championships, and the 2008 and 2016 US Sailing Junior Olympic Festivals. He has often served as PRO at these events, as well as at six world championships in the Star and Etchells classes and other major regattas.

Additionally, Bill is a US Sailing Certified Instructor for Basic and Advanced Race Management Seminars. He passes his expertise to others at workshops throughout Southern California. He has also served on various governing bodies, notably US Sailing's Board of Directors, and one-design class organizations, including the International Star Class and USODA.

Erik Oistad

SCYA Maritime Order of the Golden Key Award

Erik first became active in CYC's ham radio committee 21 years ago. He has served as Station Chief for the CYC Communication Center for the past 15 years, ensuring that the equipment in the "shack" is maintained. A 30-foot high-performance-beam antenna was recently installed. Erik also serves as System Operator for CYC's Winlink station. K6CYC has been on the air for 20 years, allowing maritime ham operators to connect to email and weather information. Erik also works with the race committee to troubleshoot the ham radios used by the Club and trains new hams each year. ⚓

During his graduate student days at UCLA, Duncan was a sailing instructor at what is now called the UCLA Marina Aquatic Center. Join your fellow racing enthusiasts and AC fans Wednesday, February 20, 7:30 p.m. for a comprehensive update of the America's Cup. Tucker Thompson and Terry Hutchinson will deliver an exciting presentation with all the details of the AC36, including an exclusive inside look at New York Yacht Club's team, American Magic.

In 2017, Team Emirates New Zealand won the America's Cup beating Oracle Team USA and chose to defend the Cup in Auckland, New Zealand in 2021. Six teams have had their challenges accepted to compete for the chance to race against Team ENZ, including New York YC's American Magic and Long Beach Yacht Club's Stars & Stripes Team USA.

In 2010, the bold decision to move from monohulls to multihulls resulted in some of the fastest, most exciting racing in the 2013 and 2017 editions. However, with Team ENZ back in charge we are returning to monohulls but with a twist: the AC36 will be sailed in 75-foot monohulls. The new AC75 will be fully foiling and expected to exceed speeds of 45 knots.

Tucker Thompson was the official host of the 35th America's Cup. He is an award-winning TV commentator, producer, and public speaker and has

hosted over 1,800 sailing shows including three America's Cups, the Volvo Ocean Race, and the World Match Racing Tour. A former champion sailor, Tucker sailed with America True during the 2000 America's Cup in New Zealand.

Terry Hutchinson is the skipper and executive director of American Magic, two-time Rolex Yachtsman of the Year and world champion in the J/24, TP52, Farr 40, and IMS classes. He's also been part of four America's Cup campaigns, highlighted by winning the Louis Vuitton Final as tactician in the 2007 Cup.

This event is free and open to all who enjoy yachting and adventure, as a public service of California Yacht Club. ⚓

Holiday Dock Party Celebrates 56th MdR Boat Parade

By ALEXA CARRINGTON

Alexa and Lisa Carrington

This year's annual Holiday Dock Party, hosted by CYC Power Fleet on December 8, was a shiny success and a fun and fabulous way to finish off our events for 2018. The boats in the Marina del Rey Holiday Boat Parade (and a few CYC members!) were brilliantly lit to perfection.

More than 150 members and guests assembled for friendship, food, and festivities. A fireworks display kicked off the 56th Annual Holiday Boat Parade and the partygoers migrated to the guest dock to enjoy the parade of lights together.

Power Fleet served the ever-popular CYC chili with welcome cocktails to get the party started, and the tables were quickly overflowing with creative contributions from the guests proudly flaunting their really ugly sweaters! Well done, people!

Thanks to all of my CYC family and friends for helping to kick off the holiday season! 2019 brings a new year of docktails and other fun Power Fleet events. We hope you and your family will join us as we get yachty. 🍷

CYC's Young Professionals decorated the Charles Hathaway and won Best Animation.

In their first Holiday Boat Parade, Bill and Bette Bracken decorated Ellen, their 42' powerboat, with inflatable Santas and more than 3,000 lights, and took first place for Best Music for their winning soundtrack.

Epicurean Holiday Dinner - A Festive Feast for the Senses

By FREDERIC LANES, Epicurean Society Chair

December's annual Epicurean Society Holiday Dinner, chaired by Laura and Jonathan Greenburg, was a festive feast for the senses. The Greenburgs, in conjunction with Chef Fabio and General Manager Michele Underwood, chose foods that are associated with the "The Twelve Days of Christmas," the theme of this year's Holiday Dinner.

Epicurean Sommelier Harlan Gibbs introduced and explained the various wines that accompanied each course, well selected by Food and Beverage Director Steve Bell.

At the opening reception, we enjoyed pear sparkling wine cocktails, as a complement to appetizers of sunny-side-up quail egg Maltese, squab and forest mushroom tartlet (a very creative adaptation for "a partridge in a pear tree"), mini latkes with crème fraiche, and golden caviar symbolizing the five golden rings. At the conclusion of the reception the Greenburgs led us to our seats for the feast.

Schmitt Söhne Riesling accompanied a spectacular seared foie gras with frisée salad (our "six geese a laying"), followed by seafood bisque with "seven swans a swimming" scallops and lobster and Trimbach Pinot Gris Reserve while sommelier Gibbs explained to the Society the subtle differences between a gris and a grigio.

At the intermezzo, we had a delightfully palate-cleansing sparkling rosé sorbet. Chef took a modern approach to beef Wellington for our "lords a leaping," accompanied by Yukon Gold potato purée, winter root vegetables, veal glace, paired beautifully with 2014 Beni Di Batasiolo Barolo DOGC.

While awaiting our dessert, the Society inducted new members Mike and Debbie Zeiden, who were given a warm welcome. Our holiday dinner concluded with "11 pipers piping and 12 drummers drumming" interpreted by the Greenburgs as vanilla custard piped into petit chocolate profiteroles, and kettle corn labeled with a vintage drummer and with a miniature drum attached to enjoy at home. Chambers Rosewood vineyards Rutherglen Muscat was paired with the profiteroles.

Many thanks to the Greenburgs for their tireless efforts developing such a creative menu based upon the "The Twelve Days of Christmas," Chef Fabio's delightful preparations, and Harlan's wine comments for a memorable and festive holiday dinner.

At the conclusion of dinner, Society members retired to the Members Lounge for cordials and cognac.

I am looking forward with much anticipation to our Tuesday, February 12, Sweethearts Dinner event. As is tradition, our Sweethearts Dinner will be chaired by Commodore Debbie Feinerman. ♣

Generosity and Holiday Spirits at Toys for Tots

By EO PAM SPRIGGS

The U.S. Marine Corps and CYCWA thank our CYC members and guests! Your generosity filled six large boxes with toys for children, and provided over \$750 in cash to support supplemental toy purchases by the U.S. Marines for less fortunate children. Our dining room was filled with holiday spirit, seasonal music, and camaraderie as we partook in a delicious stuffed pork loin dinner, wine, and gingerbread, then enjoyed the beautiful singing of Rev. James Boline and Christopher Ma, from Saint Paul Lutheran Church in Santa Monica. The evening concluded with members and guests lifting our voices in song to the holiday season.

Thank you to Michele Fisher and committee for the festive table decorations, Chef Fabio for a fabulous dinner, Jeanine Steward for the beautiful programs, the CYC staff for all your assistance, Ron Howard for his always delightful piano music, and Rev. James Boline and Christopher Ma for their beautiful voices and assistance with the group singing. What a great start to the holiday season! ✚

Opening Day Saturday, March 9

Let’s “break the ice” together at Opening Day, the official start of the yachting season! Although we’re fortunate to enjoy decent yachting weather all year round, this centuries-old yachting community ritual lives on wherever there are sailors. Partake in the festive sight of dressed ships and enjoy the first evening colors ceremony of the year. It may be true that the only ice floating in our harbors is in our cocktails so let’s toast the 2019 yachting season with our CYC community, guests, and dignitaries.

Book Mates Thursday, March 7, 11:45 a.m.

The March book, “The Rent Collector,” is by Camron Wright; SEO Donna Petersen will moderate. “The Rent Collector” is the story of a young mother, Sang Ly, struggling to survive by picking through garbage in Cambodia’s largest municipal dump. Under threat of eviction by an embittered old drunk who is charged with collecting rents from the poor of Stung Meanchey, Sang Ly embarks on a desperate journey to save her ailing son from a life of ignorance and poverty. It’s a tale of discovery and redemption in which she learns that literature, like hope, is found in the most unexpected places. Though the book is a work of fiction, it was inspired by real people living at Stung Meanchey. ♣

The CYCWA held their installation on January 5. News from the Dining Room

BY STEVE BELL
Food and Beverage Director

“The times, they are a-changing.” We have many traditions here at CYC and though we would like to keep everything in place, we must look at what needs to be updated.

- **Changes to Friday night’s buffet:** Starting in February, we will serve the traditional seafood buffet on the first Friday of each month and seafood specials the other Fridays. We will offer an individual chilled seafood platter as well as a seafood entrée special. The monthly Saturday night special will also be offered on Fridays. We will have the Friday Seafood Buffet every Friday in December for the holidays.
- **New kids table on Fridays, Saturdays, and Sundays:** Eating as a family can be tough when the kids finish their meal and mom and dad want to take their time. To give children something to keep them occupied during dinner time, we are setting up a kids table with coloring books and games at one of the long tables in the bar area on Fridays, Saturdays, and Sundays from 5 to 7 p.m. Chef Fabio has also made some changes to the kids menu to keep it healthy and kid-friendly.
- **Great deals in the bar:** We are making every effort to create more of a bar atmosphere. We have already made a big improvement to our happy hour snacks. We are now going to have some great deals with \$4 draft beers and 50% off premium liquors. We are also looking into additional sport packages for local sport viewing.
- **Pasta & Pinot Specials on Thursdays and Sundays:** Thursday Night Pasta & Pinot Special has been a big success so we are going to feature it on Sundays as well.
- **Special four-course Chef’s table offered twice a month:** We have also started our twice a month Chef’s table. The dates for February are the 8th and 22nd at 6:30 p.m. It is held in the back of the main dining room and is limited to 12 people. It features a four-course dinner paired with wines for \$80++. It’s a great opportunity for Chef to show off his skills and for you to try some new food preparations and wines. You can reserve the table for yourself and your friends for a semi-private party or meet and join other members.

I hope you like the changes we are making and our efforts to enhance your visits to your Club. See you in the dining room.

"America for Beginners" A Tour of Discovery, Love, and Reinvention

By VIRGINIA and IRA TELLER, Book Mates Co-chairs

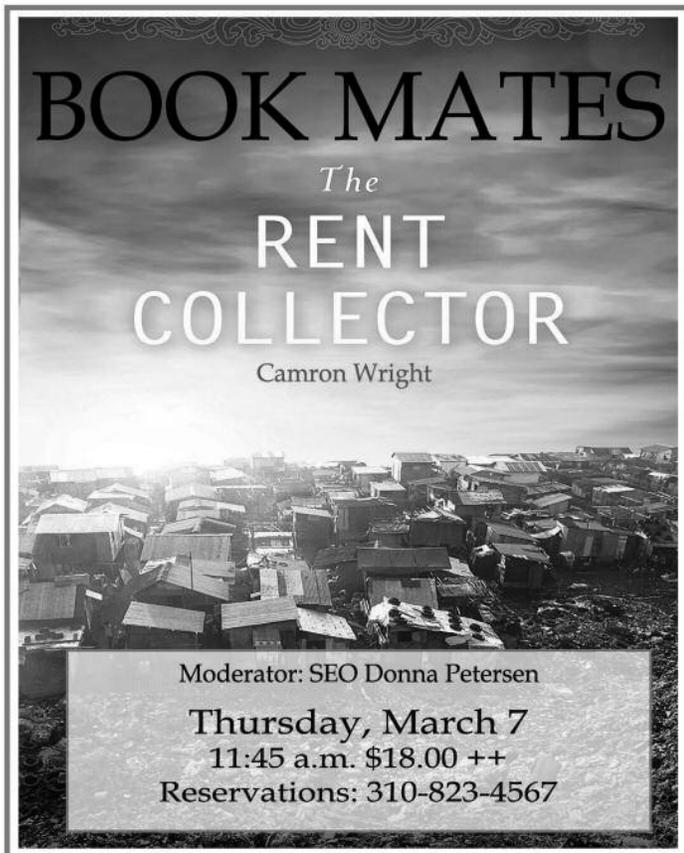

A bittersweet and big-hearted novel of forgiveness, acceptance, and reinvention, "America for Beginners," by Leah Franqui, gave our first Book Mates luncheon of 2019 a lively and spirited welcome, thanks to Sue Moore's personal selection of quotes and questions. Sue also advised us that the author, a Puerto Rican Jewish native of Philadelphia, who now resides in Mumbai with her Indian husband, based her fictional tour of America on an actual tour her in-laws took when they came to America for her wedding.

The subject of class distinction and prejudice by Indians against Bangladeshis also sparked comments about the treatment of immigrants who enter America illegally. A question about the title drew varied responses – from first-time travelers, to the reinvention of oneself and beginning life anew, which certainly applied to all of the book's characters. Everyone was touched by Pival's search for her "dead" son, and impressed by the widow's growth and self-confidence. Display of affection in public as it affected the relationship of

Rahi/Bhim and Jake, his American lover, was also discussed. All appreciated the novel's balance of humor, emotional pain, and struggle for acceptance. One of the most profound statements, made by Pival, which evoked a large response was: "I do think most parents at the heart want their children to be happy. It is only that we want our children to be happy the right way. The way we were taught that happiness was. I think this is the cause of much pain, thinking, perhaps there is a 'right way.'"

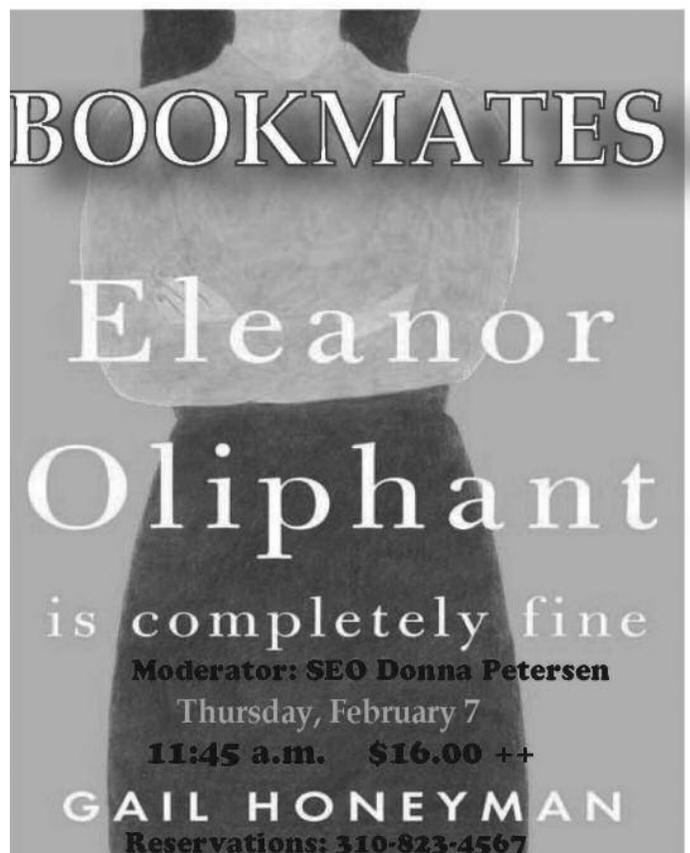

Our March 7 selection is the fact-based fiction novel, "The Rent Collector," by Camron Wright. Booklist called it "A beautifully told story about the perseverance of the human spirit." SEO Donna Petersen will moderate.

Our April 4 book is "The Shadow of the Wind," by Carlos Ruiz Zafon. The New York Times described it as "Gabriel García Márquez meets Umberto Eco meets Jorge Luis Borges for a sprawling magic show." Gail Guglielmino will moderate. ♣

Festive Noon Year's Eve Party

By LARA CLARKE

This year's Kids Noon Year's Eve party was held on December 29 and was thoroughly enjoyed by everyone who attended. The morning was full of music, dancing, and games and the kids especially liked the tattoos and crowns. The exciting balloon drop occurred at noon with more than 150 balloons floating down in the atrium. Kids of all ages put on their party attire and celebrated the arrival of 2019. The morning was fueled with tasty food and we were fortunate to have a beautiful, sunny day so kids could also enjoy the lawn. Thank you to all the families and friends who attended, and Fleet Captain Tim Clarke who helped make the event a memorable one. Also, thank you to CYC staff and catering for supporting the day. ♣

Over the last year, the Bridge formed a committee to revise and update our House and Grounds rules. The project is finally done and you can find the latest version on the Member section of the CYC website under Club documents. With the changing times there are new areas that are covered such as social media, supervision of children, use of scooters and skateboards, use of our outstation on Catalina, Club computers, internet and email, operation of the *Charles Hathaway*, member use of Club keelboats, and safety. Go online and read through the new House and Grounds rules so that you are familiar with them and can inform your family and guests. Thank you to the CYC members who spent countless hours bringing our House and Grounds rules up to date.

You may have noticed work being done at the hoist area last month. Floats were replaced, the deck repaired, and a new motor

and chain installed for hoist #1. We are ready for racing in 2019. The season started with the J/70 West Coast Winter Series, and is followed this month by the 90th annual SCYA Midwinter Regatta on February 9-10. Regatta Chair Tawni Schutter is ready to welcome the Martin 242, Star, J/24, J/70, Tartan 101, and J/109 one-design classes. On February 23-24, CYC will host the Optimist Spring Regatta Harken Challenge #1, welcoming the Championship Fleet (Red, Blue, and White fleets) to sail on Santa Monica Bay.

Interest is already building for the 36th America's Cup, and the Yachting Program on February 20 will feature Tucker Thompson discussing the New York Yacht Club's team, American Magic. Come in early and enjoy dinner in the dining room or main bar before the program begins.

The Epicurean Society will host their annual Sweethearts Dinner with Commodore Debbie Feinerman as dinner chair on February 12. With a theme of "Second Honeymoon; A European Adventure," a culinary treat is in store for those who love to mix food, wine, and romance. Epicurean members have exclusive reservations until January 31, and all remaining seats become available to any CYC member interested in attending starting February 1. Valentine's Day will be celebrated with a delicious prix fixe menu by Chef Fabio on Saturday, February 16. Toast your loved one with a complimentary glass of Champagne, dine, and dance to the music of Mr. Rich Cohen. Steve Bell will offer wines from Mendocino and Anderson Valley for the February 28 wine tasting. It's a perfect time to meet new members while you taste some outstanding wines and appetizers.

Save the date for Opening Day on March 9; a full day of ceremony, visitors, food, and fun. ⚓
