

CYC Power Fleet
We're Not What You Think
Going Beyond the Ordinary – Going Questing!

Greetings CYC Members, both new and old. These are not the circumstances we thought we would be writing to you but in many ways, it signals a time for change.

What do we mean by “Change”?

We know many of you felt Power Fleet was not for you. Maybe because you didn't own a power boat, you were a sailor, kayaker, swimmer, or only go out on friends' boats or any other reason of which there are many.

Well, that is changing. Power Fleet is now for EVERYONE! Yes, sailors. Especially you! For those of you who don't have boats, you will find many of the classes extremely helpful. New members, the parties will be awesome and for the cruises, we will help find you boats to travel on. There will be things for everyone. So, join now. Make this year at CYC your BEST EVER!

Check out our New Logo and Slogan above. “***We're Not What You Think. Going Beyond the Ordinary – Going Questing!***”

The fire will not deter us. We are boaters and we are CYC Members. It only will serve to make us stronger. Our program will continue with all the programs already planned and where we can, we will add even more.

Attached, please see the Schedule for 2024.

We have the following 2 requests:

- 1) Please e-mail back to us if you would like to be a “Power Fleet” member.
